Northwind Leave Policy

Annual leave

Every full-time employee receives 20 days of paid annual leave per calendar year, in addition to public holidays.

Leave is counted in calendar days between the start and end date of the request, both included.

How to request leave

Submit a leave request in Talign, under Leave. State the type (vacation, sick or personal), the dates and an optional reason.

A request is reviewed by an administrator or a hiring manager. Please submit vacation requests at least 2 weeks in advance.

You can cancel a request while it is still pending.

Sick leave

If you are unwell, tell your team on the first morning and submit a sick leave request in Talign as soon as you can.

A medical certificate is required from the 4th consecutive day of sick leave.

Carry-over

Up to 5 unused leave days can be carried over into the next year and must be taken before 31 March.

Any other unused days expire on 31 December.

Parental leave

Primary caregivers receive 16 weeks of paid parental leave; secondary caregivers receive 6 weeks. See the Benefits Guide for details.
